CERTIFICATE OF COMPLETION

This certifies that Anna Radová of the team Fiberry has successfully completed

STARTUP LAUNCHPAD – WINTER SEMESTER 2025/26

Over the course of the semester, Anna Radová has engaged in Startup Launchpad — a hands-on learning journey designed to guide entrepreneurial teams from opportunity discovery to a validated startup concept. Through teamwork, peer exchange, and practical assignments, participants developed core entrepreneurial skills in understanding user needs, defining value propositions, and navigating the early stages of venture development.
